## AHA Associate Member

## Overview

At Home in Alexandria (AHA) is a non-profit, tax exempt, 501(c)3 organization formed to respond to the needs of Alexandria's growing population of people 55 years and older. AHA's objective is to provide a range of reliable services enabling members to remain independent, in their own homes/apartments and neighborhoods, enjoying their favorite activities and continuing to be involved in their community. Your support assists your neighbors and ensures that AHA will be here to serve the community in the future. As an AHA Associate Member, you are supporting AHA and are also eligible to participate in all educational, cultural and social programs sponsored by AHA.
